Chronic Diseases Cured Without Drugs THE VACUUM TREATMENT

IS a SAFE, SANE, RATIONAL, SCIENTIFIC, SUCCESSFUL, and NATURAL METHOD of RESTORING the CIRCULATION of the BLOOD and ELEMENTS of NERVENUTRITION to the DISEASED PART, which ELIMINATES DISEASE and RESTORES HEALTH to PERSONS SUFFERING with CHRONIC and INCUR-ABLE (co called) AILMENTS, for which MEDICAL MAN HAS NO REMEDY and the PATIENT has been relegated to the JUNK PILE of DESPONDENCY and DESPAIR.

All Invalids Should Know That

The Deepest Principle of this Drugless system of Aiding Nature to Eliminate Disease and Restore Health is that it sends the blood, cichly laden with oxygen and health restoring elements, to those parts of the body that by disease have become weakened and need blood and the elements of nerve nutrition (one Is no atronger than their narves) to sumble them to functionate perfectly and perform their duties.

And That Its Masterly Control Of the circulation of the blood and essential—to file and benith—Finds of the hody to the discussed parts, operaiss effectively as a cure for

All forms of Paralysis, Bright's Disease, Epilepsy, Rheumatism, Asthma, Insounis, Hardening and Selerosis of the Spinal Columns, Cord, and Arteries, Arterio Scierosis Vertigo, and the Desperate Aliments of the Digestive, Indigestion, Circulatory, and The Respiratory—the Throat, Bronchi, Lungs—and Nervous System; Neurauthenia, Neuritis, Nervous Exhaustion, Spine, and the Chronic Incurable (so-called) World has no remedy and You are Detained. LOCOMOTOR ATAXIA

The Pioneer of Drugless Healing the United States. ad Breakdown Curvature of the Spline, and the Chronic Incurable (so-called) Diseases for which the Medical World has no remedy and You are Denied Relief Everywhere Eise.

The results of my 50 years' experience with this method, the last TEN IN THIS CITY, convince me that this system Can Cure every case of the above Mahadies, if the Parient Can get to My Office without assistance. I am after those cases that your physician don't and esn't cure. REFERENCES BY PERMISSION

WAR DELAYS JUDGE HOWRY. Judge Charles B. Howry, of the U.

was recovered there.

Judge Charles B. Howry, of the U. S. Court of Claims, has not been able to get out of Europe on account of the war, and consequently will miss the opening session of the court next Monday. The court has a busy term ahead, having more than 1,700 cases on the docket. Most of these were referred to it by Congress, many being sulfs against the United States involving contracts, paints and interpretation of statutes. Some of the old Preuch spoilation claims still are pending.

Chief Inspector Johnston Says Aim to Learn Politics of Force Is Meant Only for Lan emation.

REPUBLICANS' VIEN'S DIFFER

Information to regard to the politics of each member of the government's force of postellice inspectors has been asked through letters sent out under the approval of Chief Impector John W. Johnston, and in consequence it is imagined that a wholesale shake-up is impending.

pending.
Chief Inspector Johnston explained yesterday that the only object for the inquiry is to obtain information and that the political views of the inspectors will not be used against them. He was emphatic in his denial that a "shake-up" is intended.

Republican members of Congress smil-

Republican members of Congress smiled yesterday when they learnd of the
Postenice Department's action and explanat'ons were volusteered.

"The situation is this," said one member. 'Democratic Congress men have, in
sliing fourth-class postmasterabips, rejected the names of Republican candidates at the head of the list and recommended for appointment Democrats
whose names stood lower. When protests to the Postoffice Department have
come from the Republicans, inspectors
have been sent to investigate.

"The inspectors have often in their reports recommended the rejected Repubports recummended the rejected Republican applicants, but the weight of Democratic influence brought to bear on the Postoffice Department has prevented their appointment, and compelled it to disregard the inspector's report. Now the department wants to be relieved of the
